

Suburban EMS

Spring / Summer 2010 Con-Ed Schedule

APRIL

Monday April 12, 2010 1900 to 2145 hrs

Substance Abuse Awareness and Relapse Prevention

We will explore signs and symptoms of addiction, identifying addiction in **self** and others, and referral process for individuals in need of substance abuse treatment services.

Con-Ed: **1.5 Other**

Location: **Bangor Station**

Special Guest: **Jennifer Lively, M.Ed., NCAC, CCS**

From: **Recovery Revolution, Inc. Bangor PA**

Monday May 3, 2010 1900 to 2100 hrs

Grand Rounds: Obstacle Course

You be the medic! We take case reviews to a new level. Test your knowledge in these unique scenarios. Some cases require team work so bring your partner and have some fun showing off how you can adapt to any situation. **Barbeque Cookout Included!**

Con-Ed: **2 M/T**

Location: **Palmer Station**

Presenter: **Rebecca Pequeno, M.D.**

SEMS Service Medical Director - St. Luke's Hospital E.D.

MAY

Monday May 24, 2010 1900 to 2130 hrs

Clandestine Drug Lab Awareness for Emergency Responders

Join the Attorney General's Clandestine Lab Enforcement Program (CLEP) staff as they illustrate the hidden dangers behind every door. Learn why "Scene Safety" isn't just something you say in EMT class. **Class size is limited and preregistration is required!**

Con-Ed: *pending (3.5 other)*

Location: **Bangor Station**

Presenter: **David Ellis, Regional Director, Bureau of Narcotics Investigation and CLEP Team Members**

JUNE

Saturday June 12, 2010 0730 to 1600 hrs

Baseline MCI Operations [Improving EMS Response to a MCI]

Join us as we review MCI scenarios using practical approaches and simplified techniques that all EMS Providers can implement. **Class size is limited and preregistration is required!**

Con-Ed: **2 M/T & 6 Other**

Location: **TBA**

Special Guest: **Christopher J. Greb, EMT-P**

Operations Manager Macungie Ambulance Corps
